

Mp3 Hatred Hurt Itself - Thinker

[DOWNLOAD HERE](#)

Industrial music from the UK that combines electronic with orchestral, acoustic, organic and guitar driven rock music. 12 MP3 Songs ELECTRONIC: Industrial, METAL: Industrial Metal Details: Hatred Hurt Itself was established in October 1999 by the bands frontman Tristan May. The band have just released their new record Thinker which has been in the pipelines for almost three years. The music itself explores the black and white of emotion combining industrial music with electronic synth, guitar driven rock and classical music. Hatred Hurt Itself is an entirely new sound out there in a market that is crying out for something else.
