Michael's third album, an all-instrumental journey into peace and sactuary. Digital and analog synths, acoustic piano, deep atmospheric textures, ethnic percussion, found sound, acoustic guitar, and chant-like female toning... artfully mixed inspiring subtle vibrations, rhythms, and textures designed to create a space of harmony, healing, evolution. A "get-in-your-car-and-drive" piece this is not. ABOUT MICHAEL: Currently a resident of Winter Park, FL, Michael grew-up in the deverse terrain of Northwestern Oregon. A vagabond by nature, he spent many of his mid-1970's teen years backpacking the countryside...from Florida, to Connecticut, to California, to Canada...ocean to ocean, border to border... and all points betwixt between. Diverse climates, land/seascapes, cultures, philosophies, and attitudes helped him learn to appreciate and cultivate his natural ability to co-exist and co-create with those from many walks of life...vital lessons learned and passed to his own brilliant and beautiful children... Dustin 20, and Carly 18, who are the inspiration of much of his lyrical content today. (check-out TRAVEL TRANSFORMATION and BACK TO MY SELF to experience Michael's rootsy americana/acoustic folk side) Michael has provided musical performance and inspiration for several retreats and workshops including James Redfield's opening of CELESTINE PROPHECYThe Film; Carolyn Howe's "Acceptance, The Key To

Transformation", and has for the last several years traveled to various Unity, Unitarian, and Science of Mind churches throughout the Southeast with songs and stories of spirit, courage, faith, love, and inspiration. Michael's musical style has been defined as "resonant, sonorous, radiant, mesmerizing captivating"; "Michael's messages run pure and deep...compelling powerful"; "Michael does what he loves, but for him it's not about what he's doing...it's about who he's being." 2005 CREATIVE WRITER OF THE YEAR, 2003 EMOTIONAL SONG OF THE YEAR, SEVERAL INTERNATIONAL SONGWRITER'S GUILD ACHIEVEMENT AWARDS
