

Mp3 Jay Flippin & Gordon Towell Jazz Duo - Still Friends

[DOWNLOAD HERE](#)

Intimate jazz duets featuring saxophone and piano which includes standards and originals by two of Kentucky's finest jazz musicians. 12 MP3 Songs JAZZ: Bebop, JAZZ: Bossa Nova Details: Jay Flippin, piano and Gordon Towell, saxophones perform intimate jazz duets in a relaxed atmosphere. The compositions are selected from a repertoire of standards, jazz standards, and originals. All of the selections emphasize strong melodies and interesting harmonies. The performers are experienced jazz practitioners and also are teachers who can enlighten your audience about the art form and the distinct nature of its performance. They offer concerts and educational packages for any size audience. These guys can really play! They would sound at home on any stage in the world with anyone. The dedication to their craft and the breadth of their experience are evident on every track. This music is real jazz played by two gifted practitioners of the art and can be considered topflight jazz playing by any standard. This is beautiful and creative jazz improvisation on great tunes played by two experienced musicians who have a lot to say. Pat Harbison
