Original soul sanger Jermaine sings it like he live it... We don't sing we sang... 15 MP3 Songs

URBAN/R&B: Soul, URBAN/R&B: Rhythm Blues Details: Operation please the Ladies is an album, that was produced to deeply please. Jermaines silky voice over laid back instrumentals is a smooth sound. He sings with passion because he lives it. Music has always been in his life through the good and the bad. He started writing and singing songs at the age of nine. When you listen to his music its obvious hes been influenced by Prince, Rick James, Marvin Gaye etc. He was raised in the South Omaha Projects, one of the toughest housing units in Omaha. All Jermaines life hes been fighting to survive. He sings the way he lives it with loyalty and passion so dont be surprise with his bold lyrics. Down to Earth is how he will describe himself, he believes in treating others the way he would like to be treated. If one man can put Omaha on the map it will be Jermaine. Omaha Soul Records will keep pushing. Thank You!
