SEX*DRUGS*MUSIC - The Hugh Hefner of Hip-Hop tells it like it is on his up-to-the-minute propose The Paparazzi EP. Begrimed tales of stifling women master this heavy-hitting trip through with the Dirty South with our host, the Alabama Ambassador - J.Moore 8 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hip Hop The Paparazzi EP Songs Details: It is no secret, Southern rap is dominating the airwaves and television screens these days. Just when you thought you've heard every thing the Dirty-Dirty had to offer, J.Moore stampedes his way in to the rap arena. Already a recognized face in the Hip-Hop community, J.Moore brings a new perspective to the classic subject material and staples of the genre. "I'm not breaking any new ground here, I'm spittin' about the same about the same sh*t as all your other favorite rappers: hustlin', f*ckin', and ballin' out! It's sex, drugs, and rock n' roll ya know what I'm sayin'?", J.Moore explains. "But you've never heard this stuff from my point of view, and that's what makes my music unique." Hailing from the Port City of Mobile, Alabama, and now residing in the music Mecca of the South, Atlanta, Georgia, J.Moore has been tearing up the underground Hip-Hop scene with The Alabandit mix tape series and his up-to-the-minute release The Paparazzi EP. Street bangers like "B*tches Ain't Sh*t Pt. 1", and "Get It Crackin'", club favorites, "Drop That", "2nite", and "Oscar", and the radio-friendly "Paparazzi", prove that J.Moore has that special 'something' that will appeal to a diverse demographic. Production credits include underground legend Ryan "AC" Craig, Damon "Beanz" Burroughs, and Jaymal, among others; J.Moore is always ready and willing to work with hottest up-and-comers in the business as well as established veterans. Catch the very special guest appearances by Ohio's underground king Sondun1 aka KMS, as well as fellow Mobile artists Square Deal and Jaymal, and ATL's own Cole Crush.
