contemporary Christian -- Adult contemporary 10 MP3 Songs GOSPEL: Contemporary Gospel, KIDS/FAMILY: Children's Pop Details: Junko's second album showcases her continuing growth as a musician and begins her on-going partnership with the award-winning producer John Andrew Schreiner (Fernando Ortega, Crystal Lewis, The Kry, etc.). The title track, "Live in Harmony," went to #2 for several weeks on KAIM radio in Hawaii and is included in the award-winning Hawaiian compilation album Praising Him Island Style. Another favorite, "All I Know," also went to Top 10 on KAIM radio. The classic hymn "Be Thou My Vision," in which Junko sings a verse in Japanese, helped her win the Grand Prize in the Nikkei Karaoke Competition and a ticket to the international finale in Tokyo in 1995, thus beginning her concert ministry in Japan. This album also contains the over-the-top fun Christmas song, "Extra, Extra," and the often-requested tribute song for teachers, "Everyday Hero." This CD has been widely distributed in U.S., Japan, Australia, Brazil, and even South Africa.
