Jazz influenced east indian melange with funk on the side. 11 MP3 Songs JAZZ: World Fusion, POP: Quirky Details: Female Sting meets Stevie in a village market with fishmongers and hijras duking it out. Steady diet of bad church music and shrill Hindi film music growing up. Discovered Stevie Wonder in my teens and have been slowly digging myself out of my own musical shortcomings (and into new ones) ever since. The yatra is the whole point. Moved to Denver from D.C. and couldn't get a gig, so I started writing my own stuff, figuring no one could tell me I was playing the changes wrong that way. Finally got gigs, but kept writing. Continued to write at all hours, irritating my child with music in the middle of the night until I finally saved enough to buy the two things that have changed our lives: headphones and earplugs. All quiet on the Western front now.
