

## One Nation Under Par - Mark Nemcek,

If you could ask a presidential candidate any question while he's hooked up to a lie detector, what would you ask him? While taking his last shot to become a professional touring golfer, Jeff Taylor became entangled in an unprecedented betting scheme and found himself "unofficially" in the presidential election race. Except for being brutally honest, he had no other skills or desire to run for the most important position in the world. However, Jeff actually put up a fighting chance in his effort to win the election with the aid of his off-beat team members, but evil political forces deployed a comical band of thugs, attempting to squash his claim to the presidential throne using any means necessary. One Nation Under Par is a funny and fast paced story that hits a hole-in-one for virtually anyone that has interest in politics, sports, gambling, music, mild levels of absurdity, and even unusual pet tricks. So grab your clubs and enjoy the 18 hysterical holes of One Nation Under Par.
