Stop Wasting Time With All The Half Baked Advice On Monetizing Blogs And Go With These Detailed Steps! Many 'Profit With Blogging Guides' Are Simply Too Vague...But The Step By Step System You Are About To Learn Will Propel You From Novice to Expert Marketer In Double Quick Time! It's true when they say you can make solid, juicy profits from blogging. In fact, there are bloggers out there, such as Darren Rowse who have built up lucrative business empires from blogging alone! However, you're probably cynical, jaded and skeptical about people who have made a fortune online through just writing down their personal experiences my a sort of online dairy. And honestly, I'll have to agree with you because over the past year, I have met heaps of marketers who claim to know how to channel loads of blog profits to their sites when in fact, they know squat. You see, a profitable blog is more than just having adsense slapped all over the site or keywords protruding out of every sentence. There are loads of other factors to keep in mind as well...things you need to ask yourself such as the profitability of your niche, keywords to use, what sort of product do you want to sell online and heaps of other questions that need answers fast. You see, people like Darren Rowse just didn't grab a wordpress blog and start hammering

in random thoughts on their blogs and presto! A \$8,000 paycheck in the bank everyday. They followed detailed, step by step methods to create powerful, profit churning blogs that make them a tidy profit, even a living from just blogging alone! And that's what my comprehensive guide will do for you. You see, I had a friend who was a non-commercial blogger. In other words, he blogged for fun. One day he decided to try and earn some cash to supplement his daily income and so he got himself a guidebook on blogging from a 'guru' I will not care to name. After spending \$67 on this guide and implementing the techniques inside....nothing happened. He persevered and got more confused instead. I took a look at that guide and realized that it was missing several key points. It was like having a treasure map torn into half and the other side burned in the fire. How in the world was he supposed to discover his treasure that way? Right there and then, I decided that every novice marketer deserves the right to have access to the simplest, most detailed methods of making good profits through their blogs. So I spent countless hours and hundreds of dollars purchasing my competitor's products, then testing & tweaking them, absorbing what worked and throwing away the rubbish. Two months later, one of my niche blogs brought in a tidy sum of over \$3,000. Not bad for someone who only started blogging 5 months back! And six months later, i feel it is time to pay the favor forward...and let you in on my proven and tested techniques. Profitable Blogging Secrets The No Holds Barred, Solid And Simple Way For Anyone To Build A Profitable Blog Faster Than Most Beginners! Of course, there are tons of blogging guides but none has been so thoroughly researched as this one! In this power-packed, detailed guide to blogging you will discover things like: Selecting a profitable niche that hordes of people will stampede over each other to make purchases from you! The top affiliate sites you can easily dig up niche topics which become your golden goose! Three things to keep in mind in order to discover top converting keywords! The easy, step by step method in narrowing down your keywords to those that pull in massive profits! How to choose domain names that gives your blog a look of professionalism instead of confusion! Powerful plug ins that every effective, money making blog should have installed Why Google AdSense is still the easiest, fastest way to generate income through your blogs How to choose the right ad size so your profits will skyrocket tenfold! How to effectively blog for others for extra wads of cash A software that can help retain your customers for long term recurring income!
