Don't let thieves profit from your hard work and expense any longer. Get HTML Lockdown and close the door on online theft for good! Your page contents will be instantly protected including: HTML code JavaScript VBscript Text Links Graphics And more! HTML Lockdown Makes It Impossible for People to Read & Steal Your Source Code & Other Important Content! No Special Programming Skills Required! HTML Lockdown uses strong encryption algorithms to protect your page content and further ensures the safety of that content by requiring you to select a password. Using these methods, the program will prevent anyone from viewing your source code or stealing your art and design work. However, all of your encrypted pages will have the exact same appearance as the original pages and can be viewed in all modern web browsers. You see, HTML Lockdown modifies the source code of a web page making it unreadable and non-editable without changing the way a page looks in a browser. Here is even more of what HTML Lockdown Protection does - Protects the following from theft: Hides PayPal links Hides Affiliate Links Hides Email Adresse links Hides your original HTML source code Prevents your images from being copied and used by someone else Creates special password-protected pages Stops right-clicking Stops offline browsing Stops URLs from being displayed in the browser bar Works with any web host Order your copy Today and Protect Your Hard Earned Content from Cyber Thieves! Installation and Instructions are included with the Program
