Sex, lies, and misunderstandings... Murphy's Law will never be the same. Whatever can go wrong, will go wrong! Murphy's Law is known in almost every corner of the world; if not by name, then by experience. When Trina Sackette's dead ancestors try to rearrange her love life, she encounters Murphy's Law at its worst! Publisher's note: Re-release. Completely revised and re-edited. Excerpt: Unbuttoning those jeans had his cock pulsing in anticipation. "Do you want to take this further, Trina?" he gruffly asked. But even as he asked the question, he took the next step, reaching down inside the waistband of her pants to push aside her panties and delve his fingers into her wetness. Her nod, felt against his shoulder, made his cock throb. Her sharp bite to his chest, followed by a consoling lick, sent chills through his body. "Yes, I want to feel it, Trina. Show me how much you want me." She groaned, pressing against him, trying to unbutton his jeans as he slid hers down her curvy thighs, taking the wisp of silky panties along with them, gently lifting her feet out of the pant legs one by one. He kissed the inside of her knees as he raised each leg, then licked a little higher as his gaze travelled up to take in what he'd revealed. Her head was tossed back against the wall, her neck covered in light red marks from where he'd kissed her, marking her as his.

Her shirt was still up and her hard nipples indicated her desire. Her softly rounded stomach and hips promised cushioning for what he hoped would be a long and eventful night of loving. He pictured grabbing those hips to pull her back against his thrusting cock as he pierced her. His gaze drifted lower and he nearly sighed his pleasure. She shaved. He took in the nicely trimmed 'landing strip,' surrounded by bare skin that he yearned to taste. He turned his head, licking and kissing up her thighs, aiming for the damp moisture he could see surrounding her shaved entrance. "God, Trina, you look good enough to eat," he growled. Her clean, womanly fragrance teased his senses, drawing him into the nest she'd kept so neatly trimmed. "Mmmmm, more!" The low, passion-filled command came from above him, barely heard as he closed in on his tasty target. Jarett nuzzled her, breathing in her scent, and then lightly flicked his tongue to test her reaction. Trina gasped, her knees buckling, and he caught her about the waist, holding her firm. He pressed her back against the wall, nudging her legs, spreading them a bit farther apart. He dipped his tongue in, catching her juices as he grabbed her ass, pulling her close. She tasted exquisite, a fine wine full of body and womanly charm for him to savor to his heart's content. Her legs shook spasmodically as he licked her, concentrating on her stiff and protruding clitoris. Jarett delved deeper, using his fingers to part her moist folds as he feasted. He pressed one, and then two fingers inside her as she sank farther down the wall, obviously fighting to keep herself upright. He was going to come without even unbuttoning his pants if they kept this up, and that definitely wouldn't do. Pleasure. She was pure pleasure, in the way she moved, the way she tasted, and especially in the way she gasped and sighed when he touched her. "Yesth, oh yesth! Right there. Thasth good, yea!" she said, spraying him with spittle in her passion. He looked up, gazing at her flushed face. Her eyes were closed, her breath coming hard and fast through her open lips, right through the gap in her teeth. He couldn't help himself. He burst out laughing.
