Speak of the Dead ~ She has the sixth sense! He's a New York City homicide detective! This case is about to be the death of them! Felicia McClellan can speak to the dead. As an "open channel," she can help grieving survivors by speaking to their departed loved ones, exorcise haunted houses, assist anguished spirits by doing unfinished business for them on the earth plan, and thrill the millions who read her non-fiction books. Things are going well for Felicia until her agent and best friend, Natalie, is found dead, and according to Natalie's spirit, it was no accident - it was murder! Now it's up to Felicia to convince NYPD homicide detective, Mike Harris, not to close the case. And that won't be easy since there's no physical evidence to support Felicia's homicide theory, and Natalie has stopped giving her clues from beyond the grave. Cynical Lt. Harris doesn't believe in Felicia's psychic abilities, doesn't believe the agent was murdered, but does believe Felicia is the only person who stood to gain anything from her friend's demise. If that weren't enough to torment the spiritualist, a vengeful psychotic killer from Mike's past is speaking to her from the "other side," and his message is coming through loud and clear - kill Mike Harris!
