

The Devil's Sperm Is Cold - Marco Vassi

Marco Vassi was possibly the greatest erotic writer of his generation. His first publisher at Olympia Press, Maurice Girodias, compares his talent for prose to Henry Miller's writing. His sexual explorations and literary talent are the foundations of nine novels written between 1970 and 1976. Although his life was cut short, his memory lives on with the release of The Vassi Collection. The collection includes nine fiction titles and his autobiographical memoir, THE STONED APOCALYPSE, which follows his sexual liberation while on a trip he took in the sixties. Join Vassi in his exploration of the human sexual and spiritual experience. In The Devil's Sperm is Cold a power-struggle over the succession of control at a pornographic publishing house, Centaur Publishing, plays out as a sexual roundelay and various players look for love and find sex and perversion as well.
