The Marketing Guide To Success (How to market your website/product like the pros!) Dear Marketer, I am not going to sit here and give you a bunch of hype, I am simply going to lay out in pure (BLACK AND WHITE) why you need to purchase this guide. We don't start businesses to fail - we crave success. We've all heard that most businesses fail within the first year, but what are the secrets of those that succeed? This Book will tell you that Success didn't require you to know rocket science, rather it demands persistence of the basics This Gist of this guide in two line is The essence of marketing is to understand your customer, his needs and develop a plan that fulfills those needs. Simple But The Real Fact You approach to Marketing will change after you go through the pages of this book. apart from some major changes in your Bank Balance
