

Transparent Emotions - Zaida Vasconcelos

Transparent Emotions is a collection of poetry that considers love, loss, faith and overcoming obstacles. The ever-present love of God has carried Zaida through the ups and downs of life, and has provided her inspiration for these poems. On Top of Food Chain challenges the concepts of Scientology. While Trafficking, inspired by human trafficking in India, is a confrontational and heartfelt poem conveying concern for our society. Zaida's work reflects her spiritual growth through her life journey thus far. "Zaida expresses God's message with boldness and power in her poetry. It is striking and hard hitting, yet she employs a smooth and pleasant style. I look forward to seeing her path get brighter and brighter, propelled by the Word she expresses in a righteous manner. Her poetry is a blessing that is a shining light in a dark world." ~ Jason Humphreys Kinte, President of Toronto Poets
