What if the life that used to bring you so much happiness no longer seemed to fit? This was the question Wrath was faced with. He thought he found his place in the world when he met Master Drake. But seeing Lust all tied up waiting for him to dominate her, Wrath wasn't sure being Drake's submissive was what he wanted anymore. Xanthos invited Master Drake and Master Dante to his Mediterranean Manor where he has graciously offered to host Rapture's naming, although Xanthos has several ulterior motives for doing this. Having no choice but to follow Master Drake to Xanthos' Manor, Wrath is forced to face Master Dante again and relive old memories. Will Lust help Wrath find where he belongs or will circumstances take her away from him?
