"Little Nancy: the Journey Home" is one woman's journey back into the childhood she thought she had left far behind, to find the delighted child she had once been because she feared she had lost her forever. Not only did she find that little girl, she was able to integrate her spirit into the life of the adult woman she had become. To help other women begin the same journey, the author has included a fourteen page workbook with questions, chapter by chapter, so that they might walk a similar path.
