Original NW Roots Blues sound, blending elements of modern roots style reggae with jazz based funk / R&B 11 MP3 Songs WORLD: Reggae, URBAN/R&B: Funk Details: Aesense of Time is a Seattle based ensemble with an innovative Roots Blues sound- a blend of jazz based funk, R&B, and modern roots reggae. Analog keyboards such as the organ, Fender Rhodes, and clavinet add a vintage flavor to heavy, bass-driven grooves. Tracks such as Infinite Breath and Moments of Grace highlight Aesense of Times jazz roots, while urban and hip hop influences appear on Time and Soul Jah. Let Them Hear and Sacred Places present a more traditional roots reggae approach. Tracks like Hand in Hand and Message reveal the quintessential Roots Blues sound. Aesense of Time speaks to people of all backgrounds with universal messages of love, community, and facing life's struggles.
