A combination of Biggie Smalls, 2 Pac, 50 Cent, Eminem and Nas... The most gifted use of word play in the Hip Hop game. A Conscious hard-core story teller combat Rhymer. 19 MP3 Songs HIP HOP/RAP: Hard-core Rap, URBAN/R&B: R&B Rap mix Long Hard Journey Songs Details: Straight off the streets of the Germantown section of Philadelphia comes a new creative and innovative rap artist called Anubys the Jackel. The name is as interesting as the music. The name is a play on the Greek pronounced version Anubis originally pronounced Anpu/Anubu by the earlier Egyptians. As you can tell by the name and feel by the music there is a conscious and conscientious touch to his style. But it's not overly done which is where the talent part of what Anubys does comes in. His hard-core but not gangster. He raps with a message but he's not overly commercial. Anubys has what we've been missing and looking for for a long time. SKILLS ! A storyline. And A marketable concept that's good for the soul and the mind. To learn more and hear more please visit our official website at [anubysExplore](#) and experience the world and sounds of Anubys
