Call him what you want, but there is definite meaning for this man to be behind the mic. He goes by the name of Artson, born raised in the southwest city of El Paso, Texas. He started writing poetry after the fall of b-boying (break dancing) in the mid 80's. In need of an outlet of self-expression and having the love for hip hop and rap music, he began his mission. The music and sound of Save The World has soul and life. From raw hip hop to jazzy, funk, soulful, melodic, goodvibe, and hardcore hip hop tracks, theres a little something and alot of everything for everyone.
