Blue Sky Mission Club delivers an exciting collection of new classics featuring both acoustic and electric elements of Zydeco, Soul and Jamgrass that transports the listener to extraordinary places through socially poignant lyrics and deep grooves. 11 MP3 Songs FOLK: Folk Blues, WORLD: Reggae Details: Upon first experiencing the raw Folk/Zydeco /Root Soul sound of Blue Sky Mission Club many peoples first response is what type of music is this, because Ive never heard anything like it! BSMCs kaleidoscopic sound featuring blistering Lap Steel Guitar playing by founder London McDaniel and the unmistakable Country Soul vocals of lead singer Martie Hornby are a formidable combination together with Joe Prush (Fiddle and vocals) and Christina Barry(Keyboards /Accordion and Vocals) they paint a mosaic of sinuously lilting harmonies. Combined with the fresh Bass grooves of Victor Penimann and subtly rocking beats of Gene Brenemann and you have a recipe for dancing all night. Veteran musician and BSMCs founder London McDaniel has recorded with industry heavyweights John Medeski and has performed for Phish. Since playing their first festival in 2004 Blue Sky mission Clubs relentless touring schedule has brought them overwhelming accolades from both musicians and dancing audiences alike. Listing to Blue Sky Mission Club one can easily invision Sly and the Family Stone performing acoustically with the Allman Brothers at Bob Marleys place. All this while engaging socially conscious music that is remarkably moving. Blue Sky Mission Club brings together the best of many musical worlds
