Check out the samples and see for yourself. 18 MP3 Songs HIP HOP/RAP: Trip Hop, ELECTRONIC: Down Tempo Details: Born in South Africa, Doug Sessions moved to San Diego, California when he was two years old. He started the Blind Without Glasses Project six months before its completion. He is currently working on three others projects with various producers and artists and hopes to have another project done in 2006. His unique style has gotten him recognition from many established musicians around the world. His ability to jump from genre to genre while still encompassing what drew people to his music in the first place has kept him in demand both locally and internationally. This is the first complete project from Doug Sessions and a start to a unique way of joining styles to create his unique sound. Collabs with: Sifu Beats Kuku Marcello Pippy Manesh DJ Rson Bob
