

Mp3 Erin Pearson - Lessons On Love

[DOWNLOAD HERE](#)

Country lyrics set to indie chords, infused with the fundamentals of classical music creating an epic pop sound. 6 MP3 Songs POP: with Live-band Production, COUNTRY: Country Pop Details: Erin Pearson is singer/songwriter based in San Jose, California. She has just released her first 6 song album "Lessons on Love" and is very excited that it is finally finished. Erin's musical style is a direct reflection of her diverse music background. She infuses story-like lyrics and pop chords with classical fundamentals to create a genre of her own: epic-pop. All of Erin's song lyrics are straight from her journal pages. As person who has a hard time expressing her feelings, Erin writes poems songs to get out the emotions that most people just talk about. Her debut CD is undoubtedly a wonderful consequence and she is just excited to finally have an audience for all of her songs. Erin would LOVE to hear your feedback about her CD!
