Straybeat jazzy-folk acoustic songwriter music 12 MP3 Songs FOLK: Modern Folk, BLUES: Acoustic Blues Details: Kimmerjae has been performing in the Boulder area for twenty years. Her songs have roots in American folk and acoustic music, but move forward with many eclectic influences from Jazz to Sub-Saharan African Blues. Kimmerjae knows how to engage an audience in a quiet and simple way while at the same time leaving them tapping their toes and wanting more. Ty Burhoe has this to say about her: "Kimmerjae is a fantastic musician who has developed her own unique style of song writing. Her intricate guitar playing is full of heart with driving, gutsy, time teasing emotion. She is a truly original lyricist and composer whose music is sculpted for the spirits of the feeling world." Secret contains highlights from her 33 year songwriting career. The album features musicians Ty Burhoe, Mark Diamond, Mark Harris, Mitchell Long, Peter Stokes, Jon Stubbs and Andy Weyl. Hearing Kimmer live leaves me feeling a strong sense of community and hope for the world. Recorder/producer Jon Stubbs and mixer Mark Fuller convey the strength of Kimmer's live performance as she delves deeply into the great mystery. Zach Johnson - DJ, KGNU "She's like a river. She's complex, but friendly, and happy. There's a message there. It's from her authentic life. If you listen carefully you'll get it in your body... It stretches you, it brings you alive."
