Electronic Body Music/Industrial, with old-school inspirations and powerful vocals. 8 MP3 Songs
ELECTRONIC: Industrial, ELECTRONIC: Techno Details: EBM act, MachineSoldier, takes his inspirations from old-school EBM, and succeeds in coming a tough, rugged, in-your-face sound, with an exceptional flair for melodics. His productions bear the mark of all time greats, such as Front 242, Nitzer Ebb, Frontline Assembly and others. Setting the mark high, MachineSoldier's vocals leave nothing to be desired. This voice needs no exaggerated use of distortion in order to present itself in a powerful, aggressive and haunting manner. His debut "Unit One" is sure to leave you cranking up that stereo.
