hymn favorites on solo hammer dulcimer 16 MP3 Songs GOSPEL: Traditional Gospel, FOLK: Gentle Details: "When one hears Marcille Wallis' lively dulcimer playing, one wakes up ... to the small things, to love, to life. On her solo release 'Be Thou My Vision' she also awakens the spirit with gospel tunes. Hearing the songs with such spare instrumentation brings forth an image of secluded meditation and prayer -- one of joy as the songs flower into life under Wallis' skilled hands. Even songs that have been played a thousand times by a thousand musicians, find a new, pure light in the dulcimer rendition." Ginger Assadi, The Herald With seven CD's to her credit, Marcille's music can be heard on radio stations and Internet broadcasts world-wide and on PBS Television across the U.S.
