Melissa Ivey is by no means a newcomer to the music world having released four independent albums prior to this new EP, Lovers and Stars. Just because she has been around for a bit doesn't necessarily mean you have heard of her or heard her music. Love 6 MP3 Songs POP: Today's Top 40, ROCK: Folk Rock Details: Lovers and Stars is destined to be a radio hit. It has a rock rhythm and a sweet melody. Toes always tap on this one, and its appeal is universal. Melissa Ivey writes unforgettable lyrics, and music that stays with you forever. She is barely 22 years old, barely 5 feet tall, and a very petite size 0, but she is an enormous talent. She can write music and lyrics period. Songs you won't forget, and want to hear again and again. And she can sing. She can belt, she can be sweet, and she can be a rock queen. The most successful artists got acclaim when they were young, and knew early on they wanted a career in music. Melissa Ivey knew what she wanted to be when she was 9 years old, and could command audiences at clubs when she was 15. Of all the young rock artists today, Melissa Ivey is clearly one of those destined for stardom.
