Was an Old Lady Who Swallowed a Fly There was an old lady who swallowed a fly. I dont know why she swallowed that fly, Perhaps she'll die. There was an old lady who swallowed a spider, That wiggled and jiggled and jiggled inside her. She swallowed the spider to catch the fly. I dont know why she swallowed a fly - Perhaps she'll die. There was an old lady who swallowed a bird; How absurd, to swallow a bird! She swallowed the bird to catch the spider That wiggled and jiggled and jiggled inside her. She swallowed the spider to catch the fly. I dont know why she swallowed a fly - Perhaps she'll die There was an old lady who swallowed a cat. Imagine that, she swallowed a cat. She swallowed the cat to catch the bird ... She swallowed the bird to catch the spider That wiggled and jiggled and jiggled inside her. She swallowed the spider to catch the fly. I dont know why she swallowed a fly Perhaps she'll die There was an old lady who swallowed a dog. What a hog!To swallow a dog! She swallowed the dog to catch the cat... She swallowed the cat to catch the bird ... She swallowed the bird to catch the spider That wiggled and jiggled and jiggled inside her. She swallowed the spider to catch the fly. I dont know why she swallowed a fly Perhaps she'll die. There was an old lady who swallowed a goat. She opened her throat and swallowed a goat! She swallowed the goat to catch the dog... She swallowed the dog to catch the cat... She swallowed the cat to catch the bird ... She swallowed the bird to catch the spider That wiggled and jiggled and jiggled inside her. She swallowed the spider to catch the fly. I dont know why she swallowed a fly Perhaps she'll die. There was an old lady who swallowed a horse - She died, of course. A..we need a different ending!

_____ Bernie the Bubble Breathing Dragon Bernie wasnt like the other dragons, She was pink, not brown or red or green No time for dragon games Like burning things with flames Scaring kids and acting really mean She never really liked to play with fire Dragon smoke always smelled like trouble But she really liked to laugh And take hot soapy baths Drinking bathtub water, blowing bubbles OH! Bernie the bubble breathing dragon The most amazing thing that you have ever seen Theres no fire in her throat because she never liked to smoke She comes to town and everyone gets clean The most amazing thing youve ever seen Then one day at her dragon school It was

time to take the fire test When she opened her mouth Only bubbles would come out Although she tried and tried to do her very best Bully dragons laughed and called her names She flew away into the sky above So many bubble baths Had put her fire out at last And she became the bubble queen we love! OH! Bernie the bubble breathing dragon The most amazing thing that you have ever seen Theres no fire in her throat because she never liked to smoke She comes to town and everyone gets clean The most amazing thing youve ever seen One hundred, two hundred, three hundred, four! Five hundred, six hundred, seven hundred, more! Eight hundred, nine hundred look at Bernie go! A thousand bubbles in the sky, watch them as they sail on by! One thousand, two thousand, three thousand, four! Five thousand, six thousand, seven thousand, more! Eight thousand, nine thousand look at Bernie go! A million bubbles in the air, try to catch them if you dare! One million, two million, three million, four! Five million, six million, seven million, more! Eight million, nine million look at Bernie go! A billion bubbles in the sky, watch them as they sail on by with Bernie the bubble breathing dragon The most amazing thing that you have ever seen Theres no fire in her throat because she never liked to smoke She comes to town and everyone gets clean The most amazing thing youve ever seen OH!
