

## Mp3 Nicolas Bearde - Crossing The Line

[DOWNLOAD HERE](#)

A mix of old school R&B and jazz with a contemporary flavor. 9 MP3 Songs JAZZ: Smooth Jazz, URBAN/R&B: Soul Details: Crossing the Line is a delicious blend of old school jazz and rhythm blues in a contemporary format that truly blurs the line between these genres. Nicolas' love of all forms of music is evident in these rich and varied compositions. Songs penned by Nicolas as well as musical greats Jon Lucien, Bill Withers, and others reflect his disdain for musical boundaries and his deep passion for beautiful melodies. This melding of musical styles makes for a delightful aural journey that is imminently satisfying on the dance floor or wherever smooth, romantic sound is desired...
