'EXISTENCE is an atmospheric and melodic journey throughout the history of electronic music, from groups such as TANGERINE DREAM and VANGELIS to UTECHRE and BOARDS OF CANADA. Dark ambientelectonica made exclusively by analogue synths. 14 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Down Tempo Details: Parallel worlds PARALLEL WORLDS is the music vehicle of Babis Syros. EXISTENCE is his first album - ambient electronica with a fair amount of dark elements made exclusively by using analogue synthesizers. EXISTENCE is an atmospheric and melodic journey through the history of electronic music, from TANGERINE DREAM, KLAUS SHULZE and BRIAN ENO to AUTECHERE, PETER NAMLOK and BOARDS OF CANADA. The influences are evident but at the same time assimilated in such a personal manner that makes PARALLEL WORDS of an equally high standing. This is an honest and original work devoid of labels that stands out in the international electronic music scene. EXISTENCE is a musical adventure which despite its dark mood, at the end reveals its bright side that makes the "space sounds" of the synthesizers more human. This is music for imaginary places, a warm and personal electronica that has come to stay.
