

Mp3 Slow Buildings - Good Things Happen

[DOWNLOAD HERE](#)

Intelligent, melodic, edgy post-punk sing-a-long fun. 14 MP3 Songs POP: 80's Pop, ROCK: Modern Rock

Details: Slow Buildings is the recording name of singer/songwriter Jason Legacy. He's also a multi-instrumentalist and played much of the music himself. The album is an amalgam of post-punk melodies filtered through 60's style harmonies, unified with a single narrative voice. It also rocks, pops, and ponders life in all the right places.
