Incredibly calming meditative harp and piano duet that allows the stresses of the day to gracefully float away from both mind and body 7 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: Wrightwood Records is proud to release the 4th in their series of meditation and relaxation CDs, entitled "Unicorn's Journey". Stephanie Bennett joins forces with Marilyn Harris and Mark Wolfram to create over 60 minutes of new music designed with "Ahhh" in mind - meditation/relaxation music to soothe away every care. Los Angeles based harpist STEPHANIE BENNETT has performed worldwide and been hailed by The Hollywood Reporter as "one of our country's top harpists". She composes and performs for television and films as well as recording with such artists as Sir Paul McCartney, Linda Ronstadt and Lee Ann Rimes. She has also appeared on-camera in many major movies and television shows. Read about and hear more of her music at harpworld- or search right here on CDBaby for more of Stephanie's wonderful recordings! Wrightwood Records recording artist MARILYN HARRIS saved her allowance for 5 years to buy her first piano at the age of 10. Since then she's worked with Bette Midler, Jim Brickman, countless jazz luminaries, Vegas acts, new age and cabaret artists, among others. UNICORN'S JOURNEY is her fourth meditation/relaxation CD, which includes KOTO KEYS, WINDS ON IVORY and A KOTO KEYS CHRISTMAS. Read about and hear more of her music at her website: marilynarris.com Tastefully adding special touches, producer-composer Mark Wolfram completes the picture to take the listener to another level of consciousness. It's impossible to stay tense or worried listening to this recording! Sit back, relax and ENJOY!
