

MP3 The Barbarellatones - Beyond The Valley Of The Barbarellatones

[DOWNLOAD HERE](#)

Gothabilly Glam-Rock... 11 MP3 Songs ROCK: Goth, ROCK: Glam Details: Gothabilly mixed with Glam-Rock with a dash of B-Movie Sci-Fi lightly breaded with Horny Sleaze-Rock. Bake for 15 minutes and you have 'Beyond The Valley Of The Barbarellatones'. This is my favorite B-Tones cd so far, even though all of 'em are pretty cool!
