

## Mp3 The Marlboro Chorus - Entangled

Entangled is a little more experimental for TMC. Recorded on 8-track tape with minimalism as a goal, it runs the gambit from solo acoustic to Velvet-Underground style jams. 6 MP3 Songs POP: 70's Pop, ROCK: Classic Rock Details: Sometimes one, sometimes three or maybe four people fall into the lair of the Marlboro Chorus. Their wives and girlfriends dont see them for weeks. Besides beer cans, coffee cups, and cigarette butts, occasionally a song or two will exit. Cool sounds off warm tape, salt sweat stains on the reels, hot tubes and inspiration mix and mingle in the lair. If Ray Davies or David Bowie ever found out, theyd smile and wink. They know whats got into these boys.
