Manager @ 704-596-2063 The Voices of Morning Star truly had a humble beginning. The original members began singing a cappella together back in 1986 as a men's choir at the Morning Star Baptist Church in the Derita Community on the north side of Charlotte, NC. Singing only on men's day and special church programs. The original members were Dennis Barrino, Theron Barrino, Robert Martin and Larry Morrison. Dennis wanted to have a group of men that were truly dedicated to God and was as serious about singing and serving the Lord as he is. From that beginning, The Voices of Morning Star was formed from those faithful four from the men's choir. In 1990, musicians were added and things just began to take off from there. Over the years other members have come and gone, but Dennis and The Voices never stopped singing. From their faithfulness, The Voices have 6 releases, "Peace In Heaven", "Come This Far By Faith", "There Is a Fountain", "Eternal Life", "Only Believe" and their latest "23rd Psalm".
