An amazing variety of Contemporary Christian works of inspiration and encouragement with a sense of personal direction. 12 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Country Gospel Details: Tom was born in California and now resides in Iowa. Between those 2 points of his traveling timeline, Tom has also lived in Oklahoma, Missouri, Minnesota, Indiana, and New York with repeated visits to Eastern Tennessee. These life experiences, a sampling of differences, contributed to the well-rounded liking of many styles of music and has lead Tom to write songs that highlight these styles. Styles, which include 60s, contemporary, rock, soft rock, traditional, country, and bluegrass, that feature some of Toms favorite artists like The Everly Brothers, The Beatles, Simon Garfunkel, James Taylor, David Gates Bread, England Dan John Ford Coley, REO Speedwagon, Steven Curtis Chapman, Newsboys, Alan Jackson, Garth Brooks, and FFH. Tom has played in Rock Roll, Top 40, and Contemporary Christian bands in Oklahoma, Indiana, Minnesota, and Iowa and is currently playing in the Contemporary Christian band at the church he is attending. The Contemporary Christian band has been the most rewarding of all the bands but Toms favorite part of sharing his music is in the recording studio. The opportunity to take a thought or an idea, and through a few interpretations and adjustments, create a song that appeals to many listeners for many years to come, and, by sharing a positive message, maybe even help change a life or two. Toms prayer is that this music will touch even one lost person so that they might know God and know that in all life, the Power is in His hands.
