Electronic pulses fuse with morphing vocals as stratospheric guitars surf on sub-bass frequencies creating an aural experience unlike no other..listen and become Ominated. 14 MP3 Songs

ELECTRONIC: Ambient, NEW AGE: Ambient Details: The CD Ominations is an inspired mix of synthesizers, processed guitars and digitally filtered vocals. The result is a hypnotic blend of ambient soundscapes floating along percolating rhythmic textures, bubbling with imagination and high production values. Unius is the musical creation of Los Angeles based guitarist, composer and sound designer, Jamie McMenemy. The music can be described as a hybrid of Electronica that fuses elements of Ambient, Trance, Space, World, Soundtrack, New Age, Rock and other popular genres. Please show your support for the artist by purchasing a CD and spreading the word. Reviews, ideas and suggestions are always welcome and can be sent to mail@unius.net.
