

## Mp3 Virgil Work, Jr. - Intents And Purposes

[DOWNLOAD HERE](#)

This music is for when you are ready to "rush from rush hour" or just need to relax. It is ideal theme music for movies, TV and radio. A unique blend of instrumentals including smooth jazz, upbeat funk and soulful slow jams. 22 MP3 Songs ELECTRONIC: Funk, JAZZ: Smooth Jazz Details: Virgil Work, Jr. is a producer, songwriter, musician, vocalist and artist. Virgil's specialties include production, serious beats and percussion. Virgil has been deeply involved with music over the years. Virgil's music has received airplay and sales in the United States, Canada, Japan and France. Virgil co-founded the group A Work Of Art with his brother S.Work and co-founded the industrial group Workdub with Nick Georgieff. Virgil's love for drums and percussion was manifested with his introduction to electronic musical instruments. Every musician that has played with Virgil has been amazed by his ability to add soul and feeling to electronic drums and percussion. Virgil expanded his special touch to live percussion instruments, keyboards and synthesizers and has written hundreds of compositions. Virgil's "The Phases" CD, "Christmas Presence" CD and "Remember Christ On Christmas", the Holiday CD produced by Virgil and Demetrius Beverly, are available here at the CD Baby online music store.
