founder of songwriteruniverse re: God Wants to be loved fairly well crafted song and demo with some nice elements. Favorite feature phase God wants to be loved, just like you; melody on this phrase is excellent. Jay Hervey industry professional reviewer at makeastar re: God Wants to be loved writes the music itself is great, the construction is perfect, this song has a certain beauty of its own. I listen to this song repeatedly, until my batteries ran out on my player. Jay Hervey re: I Crown You The music is very good. Actually it has that old time religion feeling to it that I grew up with listening to. Orphaneddie professional reviewer at makeastarre: Good Morning Jehovah this is a really nice melody, both of the verse, chorus and bridge. Your melody conjures up some of the great gospel hits like Oh Happy Day Orphaneddie (professional reviewer at makeastar.com) re: It Shall Not Always Be I think this is the best recording Ive heard from you so far. Its an ideal song demo, presentable to any name group in gospel.
