For the outdoor enthusiast, Illinois has it all: rivers to canoe, lakes to fish, trails to hike and bike, and plenty of quiet places to camp. This indispensable guide is aimed at the tent camper who wants to enjoy these things up close. Unlike other guides that merely list all campgrounds, The Best in Tent Camping: Illinois profiles in detail the 50 best sites in the state for campers who seek the serene and secluded. Here is essential information about each campground (including season, facilities, rates, directions, GPS coordinates, and websites), as well as a description of the campground, the best sites, and nearby activities such as hiking, canoeing, fishing, and mountain biking. The guide covers well-known parks as well as some campgrounds that are local secrets that cant be found on Internet searches.
