1998 Caravan Dodge , Original Service - Shop Manual Why you must choose that manual from all others that you will find for sale ?? 1 Because all Chrysler-Dodge Service Manuals are unique for EVERY year . Every year Chrysler publish an other Service Manual for each car with all minor or major differences from the past year car . Is easy to you understand that all others that they sell manuals for 2 or more years they said LIES . 2 Because each chapter is with his title bookmarked and not with code file names as are ALL others Manuals that are for sale in internet . 3 Because is one full and right bookmarked PDF file and not 30 separate files inside a zip file . 4 Because each file is checked and reorganized to be a very useful PDF. 5 Because all links in every page works right and drives you in the correct page . and you will have the following advantages : 100 per cent satisfaction guaranteed 100 per cent Virus Free burned CD PDF

Information in this manual is divided into groups. These groups contain : general information, diagnosis, testing, adjustments, removal, installation, disassembly, and assembly procedures for the systems and components. To assist in locating a group title page, use the Group Tab Locator on the following page. The solid bar after the group title is aligned to a solid tab on the first page of each group. The first page of the group has a contents section that lists major topics within the group. If you are not sure which Group contains the information you need, look up the Component/System in the alphabetical index located in the rear of this manual. Tightening torques are provided as a specific value throughout this manual. This value represents the midpoint of the acceptable engineering torque range for a given fastener application. These torque values are intended for use in service assembly and installation procedures using the correct OEM fasteners. When replacing fasteners, always use the same type (part number) fastener as removed.
