Powerful and provocative storytelling supported by lush vocals and an intense rock trio. 12 MP3 Songs  
ROCK: Modern Rock, POP: Power Pop Details: What do you get when you combine fourteen strings, ten drums, four voices, and one great stage show? Some might say 29... But what you really get is BIG TOP VERTIGO, a Boston-based rock quartet whose poetic lyrics, raw melodies, and intense live shows are an experience you have to see. Having performed on virtually every stage in Boston, and for audiences up and down the North-Eastern seaboard, everywhere they go their high energy and hard work earn them more and more fans. BTV is poised to expand it's ministry of cognizant, luscious rock and roll with it's 2004 release of Balancing Act. Recorded with Fran Flannery at Long View Farm, and mastered by Bob Ludwig's world-renowned Gateway Studios, Balancing Act has songs for everyone, no matter how diversified the listener. Catering to many radio formats, this album is sure to generate a buzz. The bottom line?? If you thought you knew them...You didn't. If you thought you them before... You're gonna love them now! -----
