If you like the music of Genesis, Rush, Pink Floyd, Marillion, Yes, Dream Theater, Barclay James Harvest, Porcupine Tree, King Crimson, Camel or Hawkwind, we can pretty much guarantee your satisfaction - with Bjorn Lynne's trademark of emotional, strong and memorable melodies to go with it. This time Bjorn Lynne has also brought in a session-musician - the superb lead guitarist Rory McLeish - to add to his arsenal and make sure the music is more spellbinding than ever. Bjorn Lynne's strongest album yet! The song "Demon Moon" from this CD was awarded 4th place in the high profile international "Best Band on the Net" music contest, hosted by Kaman Music and sponsored by Paiste, Ovation, Tacamine, Remo, Hamer, Lexicon, D'Addario, Shure, and many other manufacturers of musical instruments. With more than 300 top bands from all over the world competing, "Demon Moon" was placed 4th after a combination of listeners' votes and judging by celebrity musician judges.
