

Mp3 Black Irish Band - Hear The Lonesome Whistle Blow

[DOWNLOAD HERE](#)

From "John Henry" (trad.) to "That Train" (orig.) this collection of traditional and original train songs presented in the Black Irish Band's unique folk style will have you ridin' the rails and singin' the songs in no time. 14 MP3 Songs FOLK: Modern Folk, FOLK: Traditional Folk Details: This CD is a collection of traditional and original songs that tell the stories of the people, places, and events of the days when the railroad was king! Acoustic adventures into the history of train travel and the hard working people that made it run. Even the cover, an original painting by band member Patrick Karnahan, draws you into the picturesque landscape of travel by rail. You can feel the power of the steam driven locomotive in your feet as you sit comfortably gazing out at the open countryside. Put on this CD and turn on your own locomotive, be it a model or just your imagination, and let the songs take you on a journey on the rails where all you hear is the lonesome whistle blowin'.
