A wonderful fusion of flamenco and world music, Byron uses the very latest acoustic guitar techniques to bring to you an exhilarating album of original guitar music. 8 MP3 Songs WORLD: World Fusion, LATIN: Flamenco Details: Byron Johnston is a young guitarist currently receiving glowing reviews for his performances which encompass and evoke elements of contemporary, world and flamenco music. Byron's debut album Oceano brings about a tremendous fusion of guitar playing styles, which can be both heard on the CD and seen on its accompanying live DVD, filmed to capture the atmosphere and mind blowing playing technique of this rising star. Byron's performances have found him all over the UK in 2005 and 2006 in the lead up to the release of his debut album 'Oceano'. - Recent shows have included the intimate Ruby Blue in London's Leicester Square and the Guildford Festival in Surrey, with estimated audiences of 10,000. In July 2006, shows culminated in a performance at The Royal Albert Hall, as part of the Ignite Series of daytime concerts, with a second performance to follow in 2007 as well as European gig dates all coming soon! Byron's playing and music transcends the boundaries of both the guitar and composition. His performance is beautiful unique and his musical ability is second to none. A great entertainer too - you'll catch him creating imaginative sounds with his guitar like you've never heard before! Lucy Noble Deputy Head of Programming - Royal Albert Hall themusicofbyron.com
