

## Mp3 Cari Dell - Different Dreams

[DOWNLOAD HERE](#)

This album is pop-rock with some r&b influences. 10 MP3 Songs POP: with Live-band Production, ROCK: Progressive Rock Details: Austin's own, Cari Dell, knows what it takes to compete in the live music capitol of the world. Cari Dell has performed the last nine years in Austin, TX, Colorado, and Las Vegas, NV. Cari is an accomplished female lead guitarist and gifted singer-songwriter who has developed an electric sound blending her love for melodic Pop-Rock and R&B. Cari Dell was awarded "2003 RECORD OF THE YEAR", in Glasgow, Scotland. Her songs, "A THING FOR ME", reached #1 and "The Trial" placed at # 2. She has proven to be a multifaceted artist who has scored music for film, radio drama, and has worked hard at promoting her original music. Cari's songs are infectious and identifiable. She takes you on a musical journey featuring an array of emotion. John Lennon, Elton John, The Beatles, The Moody Blues, U2, and film composer John Williams are some of the artists who have influenced and inspired Cari. Cari fronts her three-piece band with crystal clear vocals and mind blowing guitar work. Her electrifying guitar strokes have been compared to guitar greats such as Santana, Eric Johnson, and Stevie Ray Vaughan. She has a guitar style that is very imaginative and memorable. Cari's voice has an innocent, soulful quality that evokes emotion and beauty in each of her songs. Cari's song, "THE STARTING LINE", reached #34 on mp3North America New Country charts on August 6, 2002. Cari's song, "ANYTHING YOU WANT TO DO", reached #1 in the state of Colorado on mp3Pop-Rock category. A combination of her stage presence, vocals, songwriting, and lead guitar work all showcase Cari Dell's potential for commercial success. Cari is currently focusing on finding management to help promote her original music. Cari is actively pursuing a career in writing songs and scoring music for film and television.
