An infectious blend of hard rock mixed with soulful vocals. Drums so solid they make you grind your teeth while the music makes you bob your head and throw up the "ROCK FIST" 11 MP3 Songs ROCK: Hard Rock, ROCK: Funk Rock Details: Like a match to dry grass DownLo has caught fire and word has spread quickly. Formed from existing bands the members of DownLo were drawn together by their musical styles, their desire to succeed and their need to "ROCK..BALLS OUT" A sound that can best be described as infectious was created when members Howard Hancox, Clint Barlow, and Todd Campbell hooked up with guitarist Christian Cabang in late 2002. Combining soulful vocals with crunchy chords, heavy drum beats, and a solid bass line. Songs from the new Cd "One Of Us" will have you banging your head, gritting your teeth, and throwing up the "ROCK FIST". Recorded in Dallas' Maximedia studios "One Of Us" was produced by Eddie Head and mastered by Eddie Schreyer (KORN, INCUBUS, TOOL etc.) and captures not only the true sound of DownLo, but the live energy as well. Having performed with the like of DAYS OF THE NEW, OLEANDER, ZAC MALOY, JIBE, AND EDGEWATER, DownLo has done more than just hold their own. Their energy on stage is awesome, and unmatched. Their fans' loyalty is unreal, their emotions...unmasked, their talent...unquestionable.
