Mexico's Fhernando focuses on enchanting the club atmosphere with each production. From hypnotic tribal trance formulas to filter-flexing funky-house throwdowns, he works the vibe from the ground up. 18 MP3 Songs ELECTRONIC: Electronica, ELECTRONIC: Dance Details: CnetEditors' Review: Mexico's Fhernando focuses on enchanting the club atmosphere with each production. From hypnotic tribal trance formulas to filter-flexing funky-house throwdowns, he works the vibe from the ground up. Strong, percussive foundations guide tides of modulated vocals and phased synth melodies as they meld with an infectious energy. About the album: " I Love New York (Deluxe Edition)" is a compilation from Fhernando's biggest hits, unreleased tracks and special mixes from his old records. This album is fully loaded of energy to create a special moment for every single night at the disco.
