

Mp3 Jealous Bone - Scratch

[DOWNLOAD HERE](#)

Electric Blues rock with an aggressive attitude that will spank your collection with original gutso. 15 MP3 Songs BLUES: Guitar Blues, BLUES: Rockin' Blues Details: Jealous Bone is a Chicago based band delivering a unique blend of classic blues... Layered with a solid rock edge! A sound, and style truly defined... Musically and Lyrically in their original compositions! Growing up in the chicagoland area, the four members have aquired a vast range of musical influence and style. From Buddy Guy, to Jimi Hendrix, Black Crows to the Rolling Stones, they have used the diversity of their influences to craft a sound that is "true to the legends" Yet as fresh and exciting as some of todays current music! Other than playing the club circuit, the members have recorded sessions with other local artists. They have recieved radio airplay on Chicago based "WXRT 93.1 FM, and 10000 blues show CKIA FM in Quebec City, Canada. We currently have nine of their original compositions signed by New York Based "DSM Producers" who are noted for their expertise at selecting the soundtracks used in major motion pictures and television programs. The song DOG was in ALL MY CHILDREN on ABC and Soap Net.
