

## Mp3 Joesmpte - The Time Is Now

[DOWNLOAD HERE](#)

JoeSmpte is the complete MC. He is hardcore, he is street, he is smooth, he is a battle rapper. 19 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: JoeSmpte aka Joseph Gallop was born in Boston, Massachusetts in the 70s. He has a Bachelors of Art from Bowling Green State University in Bowling, Ohio. JoeSmpte also has a Certificate of Completion from Hendriks Institute in Visual Communications. He is some what your renaissance man. At a young age music was always his first love. He started playing the trombone in pre-school. This transcended to him being a mc and also a producer. JoeSmpte didnt just stop there. He is also a video producer who recently shot videos for Edo G, Smoke Bulga, Billy Blade, and other artist. JoeSmpte has strong ties in Ohio and also is collaborating with California artist such as AK, PBK, Renegades, and DPG affiliates. He is also working with artist and producers from France such as Lexo, Bandit, Miss Dynamite, Kicket, and the entire Ski Mask Production team. JoeSmpptes versatility is what separates him from many mcs in the game. His upcoming album titled The Time Is Now will be released this spring. Smppte Media Group is a Boston based multi-media company focusing on music videos, commercials, short films, and advertising, and music distribution. JoeSmpte has two albums coming out. The Time Is Now and The Connection are the albums names. The Time Is Now has a variety of producers from Boston, Cleveland, Toledo, and France. The album itself is well put together and the style that JoeSmpte displays is far different from what you hear today. He is very skillful, such as a back pack rapper, but has the swagger of a thug rapper. JoeSmpte influences are from the school of keeping it real. He does not exaggerate about fictional gangster stories nor does he falls in the category of the pimp rapper. Check out the new album coming soon. The Connection, an entirely different album, is more of a collaboration between JoeSmpte and artist from France and the US. Lexosyl is the main producer on the album. There is a perfect blend between American artist and artist

from France. The movement is happening now. Also watch out for The Bandit's Nest Album featuring myself, Billy Blade and Sutter Caine,
